FORWARD

Student Rights and Responsibilities

The Cranston School Committee is committed to providing each student with full opportunity to develop his/her potential in an orderly environment in which the rights and responsibilities of each individual are considered.

To provide this positive educational setting, the conduct, behavior, respect for authority and the respect or the rights of each person are of prime importance.

To achieve high standards of personal conduct and responsibility for all students, a set of reasonable rules and regulations have been developed for Cranston elementary schools.

Jeannine Nota-Masse
Superintendent of Schools

Elementary Conduct Code

This booklet on Cranston Public School's Discipline Policy outlines the school system's guiding principles, expectations for student conduct, and procedures for dealing with misconduct in the elementary schools.

By making these policies clear and accessible to everyone in the school community, we can help children understand what is expected of them, avoid misunderstandings between parents and schools, and promote our common goal, the education of our children in a safe, nurturing atmosphere.

Principles

- Students, parents, teachers and administrators are partners
- Cranston Public Elementary Schools fosters a sense of community through mutual respect
- Each student has the right and opportunity to learn and each teacher has the right and opportunity to teach
- Students need physical and emotional security to learn
- Rights and privileges come with responsibilities

Standards

Expectations for all behaviors involve **respect** and the assurance of a **safe environment for all**.

Children will demonstrate respect for others.

That is students;

- are courteous and cooperative (teasing and name-calling is unacceptable)
- use acceptable verbal and non-verbal communication
- follow the rules of the school and the classroom
- settle disagreements with respectful words; keeping hands, feet and other objects to oneself
- dress appropriately in accordance with Policy 5132

Students will show respect for school property.

That is students;

- show care and respect in the treatment of the school property including the furnishings, supplies, and equipment
- handle other person's property carefully and only with permission
- use computers and the Cranston Public School's technology responsibly and in an appropriate manner (See Cranston Public School's Technology and Acceptable Use Policy)

Students will keep themselves and each other safe, on the way to school, upon entering school, at dismissal, during any school activity, and at bus stops.

That is students;

- walk safely and quietly in the halls and stairways so that classes are not disturbed
- play in a safe manner
- ask an adult for assistance when help is needed in settling a dispute
- leave potentially dangerous items at home such as hard balls, bats or sharp items
- leave all toys at home and other items not permitted by your school and teacher
- demonstrate respectful behavior towards others at all times

Students will keep themselves and each other safe during the use of Cranston Public School transportation.

That is students;

- follow the instructions of transportation personnel at all times
- enter and leave the bus in an orderly manner after instruction from transportation personnel
- remain seated while the bus is in motion
- follow all other standards of behavior as outlined for Cranston students and in accordance with Policy 5131.A

Students Will Come to School Prepared and Ready to Learn

Students are expected to;

- bring books, materials and homework to school as assigned by the teacher
- do their own work to the best of their ability
- participate actively in class discussions and activities
- ask for help in an appropriate manner
- follow all classroom rules
- attend school in accordance with school committee policies, school department regulations, and State Law

Absence and Tardiness

General Rules

Students are expected to;

- attend school each day it is in session and to arrive on time
- bring a note to the teacher from home when he/she is absent or tardy, stating the date and the reason for the absence or tardiness
- have permission from the classroom teacher before leaving the classroom
- have the permission of the school principal and parent or guardian or his/her properly identified designee, before leaving the building for early dismissal

Elementary school pupils will not be kept after school without notification of parents or guardians at least one day in advance.

Truancy

Defined as: willful absence from school for one or more days without the knowledge of parent/guardian.

In all cases of truancy, the parent will be notified and a concerted effort will be made to locate the child. A follow-up conference will be held with the child and parent or guardian present. The outcome of the conference should be a plan of action, including appropriate counseling activities, which will determine the causes of truancy and provide suggestions for the prevention of future occurrences.

In serious cases of repeated truancy, the Home Visitor/Attendance Officer will become involved and appropriate action will be taken to obtain compliance with State Law pertaining to compulsory attendance.

Unlawful Absence

Defined as: absence from school for one or more days with the knowledge and consent of parent/guardian for reasons inconsistent with provisions of State Law pertaining to compulsory attendance. This definition applies to vacations taken beyond the parameters of the adopted school calendar. It does not apply to health problems or unanticipated emergencies.

The parent must assume full legal responsibility under State Law. No disciplinary action will be taken against the child, but it is expected that all work, which is missed during the absence, will be completed.*

*Rhode Island Laws Relating to Education
16-19-1 Attendance Required – Excuses for Non-attendance

In serious cases of repeated unlawful absence, the Home/Visitor/Attendance Officer will become involved and appropriate action will be taken to obtain compliance with State Law pertaining to compulsory attendance.

Leaving School without Authorized Dismissal

Defined as: leaving the classroom, school building, or school grounds without authorized dismissal. In such cases the parent, police and central office personnel will be notified and a concerted effort will be made to locate the child. At the initiative of the principal, a follow-up conference may be held with the child, the parent and the teacher to attempt to determine the cause of the child's leaving, and to plan an appropriate course of action for the prevention of future occurrence.

In serious cases of repeated occurrences, referral will be made to the Home Visitor/Attendance Officer and to Pupil Personnel Services.

Tardiness

Defined as: arrival at school after the officially designated time for school to begin.

In all cases in which tardiness presents a clear and present danger to the welfare of the child, a concerted effort will be made to determine the causes of tardiness and appropriate measures will be suggested to prevent reoccurrence.

At the elementary school level, disciplinary measures will be "guidance oriented" with all factors involved in the case given sufficient attention to determine the extent to which the child is contributing to his tardiness.

In serious cases of repeated tardiness, a conference must be held with the parent or guardian and the child to develop a plan of action, which will remediate the problem. Additional instances of tardiness will result in referral to the Home Visitor/Attendance Officer and/or Pupil Personnel Services.

In all cases of absence and tardiness, the parent or guardian is expected to provide a signed statement of the reason for each occurrence.

INFRACTIONS

The primary responsibility for student discipline and conduct is handled by the teacher through clearly stated classroom rules, procedures and consequences. Promotion/Retention

Promotion

Elementary/Middle School

In general, students will be placed at the grade level to which they are best adjusted academically, socially and emotionally. Students will usually progress annually from grade to grade, spending one year in each grade. However, some students will profit by staying another year in the same grade. In such cases, the parent will be contacted in advance, although the final decision will rest with the school authorities.

Following sound principles of child guidance, it will be the Cranston Public Schools' policy not to advocate the skipping of grades.

Procedure

1. Any employee or student who believes he/she is experiencing sexual harassment should report such circumstances to School or Central Administration immediately. If the employee or student is uncomfortable in discussing the issue with an immediate supervisor or teacher, the employee or student may contact the Director of Human Resources or the Superintendent.

Any administrator or supervisor who is informed of alleged sexual harassment activities occurring within the School Department must, in conjunction with the Superintendent, take immediate and appropriate action, beginning with a thorough and confidential investigation of the circumstances.
4. Employees alleged to have committed sexual harassment will be given all due process rights. If sexual harassment activity is found to have occurred, such activity will not be tolerated and disciplinary action, up to and including dismissal, of employees who violated this policy will occur.

ZERO TOLERANCE FOR WEAPONS

The Cranston Public Schools and its students are governed by the *Gun Free Schools Act* (Federal Legislation) and with corresponding *Rhode Island General Laws 16-21-18* and *16-21-19* relating to Gun Free Schools:

A. *Rhode Island General Laws 11-47-60, 11-47-60.2* and *11-47-42* provide further definition of a weapon and students shall be governed by same. When a student is found in possession and/or control of a weapon (as defined in *11-47-42* or a firearm or replica of same), s/he shall be subject to exclusion proceedings from school. The Superintendent, as is the case in the administration of the Gun Free Schools Act, shall have the authority to modify the duration of expulsion on a case-by-case basis. At the instant that the weapon is discovered, the school will take custody of same and notify the parents and police and suspend the student until a decision is rendered in a Due Process Hearing concerning exclusion.

B. For purpose of the Gun Free Schools Act a “weapon” means a firearm as defined in *Section 921 of Title 18 of the U.S. Code*:

...any weapon (including a starter gun) which will or is designed to or may readily be converted to expel a projectile by the action of an explosion

...the frame or receiver of any weapon described above

...any firearm muffler or firearm silencer

...any destructive device, which includes:

(1) any explosive, incendiary, or poison gas

(a) bomb

(b) grenade

(c) rocket having a propellant charge of more than four ounces

(d) missile having an explosive or incendiary charge of more than one-quarter ounce

(e) mine, or

(f) similar device

(2) any weapon which will, or which may be readily converted to, expel a projectile by the action of an explosive or other propellant, and which has any barrel with a bore of more than one-half inch in diameter

(3) any combination or parts either designed or intended for use in converting any device into any destructive device described in the two immediately preceding examples, and from which a destructive device may be readily assembled.

C. For purposes of the R.I. General Law this penalty will also be incurred when a student is not on school premises, but when he or she aims a firearm or realistic replica of a firearm at school premises/school functions, school vehicles, or students, staff or visitors attending school or in transit to or from school.

- D. Students with disabilities will be disciplined in a manner which comports with federal (IDEA) and state laws and regulations governing same.
- E. If a student is found in possession and/or control of dangerous weapons (guns, knives, clubs, pepper gas, chemical propellants, smoke bombs, or any object, which could be construed by an administrator to present imminent danger to a person), the school will take custody of the weapon(s) and notify the police. The school will notify the parents, and suspend the student(s) until a decision is rendered in a Due Process Hearing concerning exclusion.
- F. If a student is found in possession and/or control of any ammunition or components of ammunition for firearms, the student will be suspended from school for 10 days. Exclusion proceedings may be initiated. Parents/guardians will be notified. Police will be notified.
- G. If a student is found in possession and/or control of written documentation pertaining to the construction and/or utilization of an explosive or incendiary device, the student will be suspended from school for 7 to 10 days. Exclusion proceedings may be initiated. Parents/guardians will be notified. Police will be notified.

In any of the above cases (A – G) the student's parents/guardians must petition the Superintendent for permission to re-enter the school system for the next academic year.

In an effort to maintain a safe and secure environment in our schools the following policy guidelines will be followed.

Organizations, groups or individuals shall not be allowed to promote or recruit during the school day. All visits by organizations, groups or individuals shall be prearranged and preapproved by the Superintendent or his/her designee.

Visits shall not disrupt the school day including recess and lunch or “free” times.

Principals will maintain daily records of expected visitors, volunteers and approved programming during the school day. This record must be available in the Main Office and must be used to allow entry into the school building.

Any visitor, volunteer or parent/guardian coming into the school for a program, event or to pick up or drop off their child must communicate with the main office prior to arriving at the school. Any visitor, volunteer or parent/guardian who does not communicate with the school prior to arriving, may be denied entry to the building and will require approval of the building principal or his/her designee.

Any visitor, volunteer or parent/guardian shall go directly to the main office upon entering the building in order to sign in to the building. Failure to follow this procedure may result in removal from the building.

Any visitor, volunteer or parent/guardian coming into the school for a program, event or classroom activity shall be required to wear a visitor badge/sticker supplied by the school. This badge/sticker must be worn in a visible manner during the entire visit and should be returned to the office prior to leaving the building. Visitors not wearing badges/stickers will be asked to leave the building immediately.

This policy becomes effective on August 28, 2013.

- 7. No pupil will smoke or light matches on a school bus.**
- 8. No pupil shall at any time extend his or her head, hands or arms out of the windows, whether the school bus is in motion or standing still.**
- 9. No pupil shall open a window on the school bus without first getting permission from the school bus driver.**

- 23. Parents of students damaging school buses will be responsible for proper reimbursement to the school district.**
- 24. Pupils are not to run errands between the bus stop and their home.**

DISCIPLINE ON SCHOOL BUSES IS PROBABLY ONE OF THE BIGGEST PROBLEMS CONFRONTING SCHOOL BUS DRIVERS TODAY. MUCH EMPHASIS HAS RIGHTLY BEEN PLACED ON IT BY THE PUBLIC. WHERE ONCE THE BURDEN OF RESPONSIBILITY WAS PLACED ONLY WITH THE BUS DRIVER, IT HAS BECOME A COMMUNITY EFFORT OF COOPERATION WITH PARENTS, SCHOOL BOARDS, ADMINISTRATORS AND BUS DRIVERS.

SCHOOL BUS TRANSPORTATION IS AN EXTENSION OF A SCHOOL SYSTEM AND SHOULD BE CARRIED OVER INTO THE SCHOOL BUS.

FAMILY EDUCATION RIGHTS AND PRIVACY ACT NOTIFICATION OF RIGHTS

The Cranston Public Schools makes school records available to parents and students over 18 years of age (“eligible students”) according to the Family Educational Rights and Privacy Act (FERPA). This Act is amendable only by the U.S. Congress and any changes in the law shall supersede local policy. This policy will be reviewed for appropriate amendments within a reasonable period after changes in the law and/or regulation. In regard to the student’s education records, FERPA affords the following rights to parents and “eligible students”:

- 1.) The right to inspect and review the student’s education records within 45 days of the day the District receives a request for access, unless a shorter time is required by any other state or federal statute. Parents or eligible students should submit to the school principal (or appropriate school official) a written request that identifies the record(s) they wish to inspect. The principal will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.

- 2.) The right to request the amendment of the student’s education records that the parent or eligible student believes are inaccurate or misleading. Parents or eligible students may ask the District to amend a record that they believe is inaccurate or misleading. They should write the school principal, clearly identifying the part of the record they want changed, and specify why it is inaccurate or misleading.

If the District decides not to amend the record as requested by the parent or eligible student, the District will notify the parent or eligible student of the decision and advise them of their right to a hearing regarding the request for amendment. Additional Information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.

- 3.) The right to consent to disclosures of personally identifiable information contained in the student’s education records, except to the extent that FERPA authorizes disclosure without consent.

One exception which permits disclosure without consent is disclosure to school officials with legitimate educational interests. A school official is a person employed by the District as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel); a person serving on the School Board; a person or company with whom the District has contracted to perform a special task (such as an attorney, auditor, medical consultant, or therapist); or a parent or student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.

Upon request, the District discloses education records without consent to officials of another school district in which a student seeks or intends to enroll.

Directory type information is also disclosed without consent in a manner consistent with FERPA and the District policy regarding education records. Directory type information includes, but is not limited to, the student's name, address, telephone listing, date and place of birth, electronic mail address, photograph, grade level, major field of study, participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of attendance, degrees and awards received, and the most recent previous education agency or institution attended.

- 4.) The right to file a complaint with the U.S. Department of Education concerning alleged failures by the District to comply with the requirements of FERPA.

Rhode Island General Law 16-21.2-11 prohibits any student in any secondary or elementary school from carrying, possessing or using a paging device of any kind on school property (**This includes but not limited to cell phones, portable instant messaging devices, pagers, beepers, blackberries, etc.**), except with the written consent of the principal of the school in which the student is enrolled. For the first offense, the student found in possession of any of the items listed above, the item will be confiscated and kept in the main office for a parent pick up between 6:30 a.m. and 3:00 p.m. An office detention will be issued. For a second offense, the penalty for a violation of this law **shall be** the confiscation of said device until the end of the school year. The use of electronic devices such as laser pointers, radios, walk-mans, I-Pods, electronic games, etc. is not permitted during the school day. Use or possession of said devices will result in confiscation by school administration.

Model Notification of Rights Under the Protection of Pupil Rights Amendment (PPRA)

PPRA affords parents certain rights regarding our conduct of surveys, collection and use of information for marketing purposes, and certain physical exams. These include the right to:

 7. Religious practices, affiliations, or beliefs of the student or parents; or
 8. Income, other than as required by law to determine program eligibility.
- *Receive notice and an opportunity to opt a student out of* –
 1. Any other protected information survey, regardless of funding;
 2. Any non-emergency, invasive physical exam or screening required as a condition of attendance, administered by the school or its agent, and not necessary to protect the immediate health and safety of a student, except for hearing, vision, or scoliosis screenings, or any physical exam or screening permitted or required under State law; and
 3. Activities involving collection, disclosure, or use of personal information obtained from students for marketing or to sell or otherwise distribute the information to others.

 3. Instructional material used as part of the educational curriculum.

These rights transfer from the parents to a student who is 18 years old or an emancipated minor under State law.

Cranston Public Schools will develop and adopt policies, in consultation with parents, regarding these rights, as well as arrangements to protect student privacy in the administration of protected information surveys and the collection, disclosure, or use of personal information for marketing, sales, or other distribution purposes. **Cranston Public Schools** will directly notify parents of these policies at least annually at the start of each school year and after any substantive changes. **Cranston Public Schools** will also directly notify, such as through U.S. Mail or email, parents of students who are scheduled to participate in the specific activities or surveys noted below and will provide an opportunity for the parent to opt his or her child out of participation of the specific activity or survey. **Cranston Public Schools** will make this notification to parents at the beginning of the school year if the District has identified the specific or approximate dates of the activities or surveys at that time. For surveys and activities scheduled after the school year starts, parents will be provided reasonable notification of the planned activities and surveys listed below and be provided an opportunity to opt their child out of such activities and surveys. Parents will also be provided an opportunity to review any pertinent surveys. Following is a list of the specific activities and surveys covered under this requirement:

- Collection, disclosure, or use of personal information for marketing, sales, or other distribution.
- Administration of any protected information survey not funded in whole or in part by ED.

AFFIRMATION OF RESIDENCY AFFIDAVIT

The Cranston Public Schools has constantly established a reputation for excellence, and due to their success and Cranston's proximity to other urban areas, Cranston Public Schools may occasionally attract students who may not live in Cranston.

The committee hereby authorizes the Superintendent to include and require the attached affidavit (see Exhibit A) to be signed (along with the disciplinary code *letter of understanding*) at the beginning of each school year, or, in the case of new students entering during the school year, before such students are admitted.

The affidavit should identify the student, his or her parent, guardian, or approved caretaker along with the legal Cranston address where the student resides. This shall be a legally binding agreement for the liability of payment of out-of-district tuition (as set by the committee) by the parent, guardian, or caretaker should it be determined that the student does not reside in Cranston. The student will be automatically demitted from the school and may not be re-admitted until such time as *proof of residency* is made.

This affidavit would exclude those out-of-district students who attend the Cranston Area Career & Technical Center, the New England Laborers'/Cranston Public Schools' Construction Career Academy, or any out-of-district students attending Cranston Public Schools under state and federal mandates.
