DISCIPLINARY POLICY OVERVIEW

The Cranston Public Schools, like all other schools, can operate in an orderly manner only by setting reasonable rules for student behavior. Violating or disregarding the rules will constitute a disciplinary matter, which teachers and other supervisory personnel will handle first at the level where those infractions occur. In each school, a designated administrator will resolve persistent or serious infractions.

Disciplinary cases will be resolved with two primary purposes in mind:

- A. Rehabilitation through appropriate counseling and/or referral.
- B. Restitution and/or punishment for the wrong act committed.

The enforcement of these purposes will direct **all** those students who have violated school rules to change their behavior and to make a better adjustment to the total community.

The refusal to obey a staff member in the process of carrying out the prescribed disciplinary measures may be cause for suspending the student at any point in the discipline procedure. Progressive Disciplinary measures apply to ALL students unless specifically modified by appropriate school personnel in accordance with state and federal laws. Conceivably, a student could be suspended at the first referral for rebelling and refusing to submit to penalty. The punishment may be as little as a verbal reprimand or as much as a full ten-day suspension. Any or all of the disciplinary actions may be imposed on the first offense. If the offense is especially grave, the school may recommend exclusion. Any combination of five suspensions for any reason may warrant a recommendation to the school principal for a hearing and possible recommendation for exclusion from school. The building administrators have the right and the responsibility to exercise judgment in all discipline matters, including those that may arise, but are not included in this handbook.

Parents will be notified of any disciplinary actions. The student's discipline file will contain all written correspondence..

STUDENT ATTENDANCE POLICY

Attendance is mandated by Rhode Island General Laws 16-19-1. Regular attendance is absolutely necessary for academic success, as it develops a sense of responsibility, which is indispensable for survival in the workplace.

Policy adopted: March 20, 1972
Policy amended: July 16, 2007 (Res. No. 07-7-21)

High School / Middle School Absence and Tardy Policy

1. If a student is absent (unexcused) from a class or classes in excess of five (5) times per quarter, the teacher will lower the student's quarterly grade by ten points. Excused absences are for: illness or appointment confirmed by a doctor's/dentist's note within two (2) days of return to school; family bereavement; legal/court obligations confirmed by a note from the court; college or military appointments confirmed by documentation from agency.
2. Students are expected to be present in advisory on time. Students who are late to homeroom/advisory may be consequence by the teacher. Students who are chronically late (more than 3x per quarter) will be referred to the student's assistant principal.
3. Students, who are late to school after the completion of advisory, must sign in at the tardy desk. Students will be allowed three (3) unexcused tardies to school each quarter.
4. All days tardy beyond three (3) per quarter will result in disciplinary consequences unless excused with verifiable documentation (e.g. doctor's/dentist's note, legal obligation, family bereavement). All absence/tardy notes must be submitted no later than the day following the student's return to school or the day following the tardy.
5. On the fourth (4) tardy, a conference with the assistant principal will occur. Parents will be notified of the excessive tardies. Detention will be assigned for all days tardy beyond four (4) and up to eight (8). All days tardy beyond eight (8) may result in social probation and/or additional disciplinary consequences.
6. Social probation will be imposed after the eighth (8) tardy in a marking period. Social probation means the student will not be able to participate in any extracurricular

activities or school-sponsored events after school hours or on weekends. Such events shall include, but not be limited to, dances, proms or athletics, either as a participant or observer.

7. Teachers are not obligated to provide make-up assignments for the following: students who have “cut” class; student who miss a class by arriving late to school without a verifiable excuse (see criteria above); family vacations during school time are not considered excused absences.
8. Parents/guardians shall be notified of excessive tardies after the fourth tardy per quarter.
9. Parents wishing to appeal an attendance-related decision made by the classroom teacher should follow the CPS appeal process (i.e. written appeal in the following order: student’s assistant principal, principal, superintendent (or designee), Cranston School Committee).

FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT NOTIFICATION OF RIGHTS

The Cranston Public Schools makes school records available to parents and students over 18 years of age (“eligible students”) according to Family Educational Rights and Privacy Act (FERPA). This Act is amendable only by the U.S. Congress and any changes in the law shall supersede local policy. This policy will be reviewed for appropriate amendments within a reasonable period after changes in the law and/or regulation. In regard to the student’s education records, FERPA affords the following rights to parents and “eligible students”:

1. The right to inspect and review the student’s educational records within 45 days of the day the District receives a request for access, unless a shorter time is required by any other state or federal statute. Parents or eligible students should submit to the school principal (or appropriate school official) a written request that identifies the record(s) they wish to inspect. The principal will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.
2. The right to request the amendment of the student’s educational records that the parent or eligible student believes are inaccurate or misleading. Parents or eligible students may ask the District to amend a record that they believe is inaccurate or misleading. They should write the school principal, clearly identifying the part of the record they want changed, and specify why it is inaccurate or misleading.

If the District decides not to amend the record as requested by the parent or eligible student, the District will notify the parent or eligible student of the decision and advise them of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.

3. The right to consent to disclosures of personally identifiable information contained in the student’s educational record, except to the extent that FERPA authorizes disclosure without consent.

One exception which permits disclosure without consent is disclosure to school officials with legitimate educational interests. A school official is a person employed by the District as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel); a person serving on the School Board; a person or company with whom the District has contracted to perform a special task (such as an attorney, auditor, medical consultant, or therapist); or a parent or student serving on

an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an educational record in order to fulfill his or her professional responsibility.

Upon request, the District discloses education records without consent to officials of another school district in which a student seeks or intends to enroll.

Directory type information is also disclosed without consent in a manner consistent with FERPA and the District policy regarding education records. Directory type information includes, but is not limited to, the student's name, address, telephone listing, date and place of birth, electronic mail address, photograph, grade level, major field of study, participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of attendance, degrees and awards received, and the most recent previous educational agency or institution attended.

4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by the District to comply with the requirements of FERPA.

The name and address of the Office that administers FERPA is: Family Policy Compliance Office, U.S. Department of Education, 400 Maryland Avenue, SW, Washington, DC 20202-4605.

A copy of the Cranston Public Schools policy regarding education records is available in the Office of the Superintendent of Schools.

Directory Information

Parents and eligible students have the right to refuse to let the Cranston Public Schools designate any or all of the types of information set forth above as directory information.

If the parent or eligible student does not want any or all of those types of information about the student designated as Directory Information, they must notify the Assistant Superintendent, in writing, within twenty (20) days of the first day of school.

According Federal Statute: 20 U.S.C. 1232g(a)(5)(A), "Directory information" means/includes information contained in an education record of a student that would not be generally harmful or an invasion of privacy if disclosed.

- A. Directory Information **includes but is not limited to**, the student's name; address; telephone listing, electronic mail address; photograph; date and place of birth; major field of study; grade level; enrollment status (e.g., undergraduate or graduate, full-time or part-time); dates of attendance; participation in officially recognized activities or sports; weight and height of members of athletic teams; degrees, honors and awards received; and the most recent educational agency or institution attended.

- B. Directory information **does not include** a student's-
 - i. Social security number; or
 - ii. Student identification (ID) number, except as provided in paragraph (c) of this section

- C. Directory information **includes** a student ID number, user ID, or other unique personal identifier used by the student for purposes of accessing or communicating in electronic systems, but only if the identifier cannot be used to gain access to educational records except when used in conjunction with one or more factors that authenticate the user's identity, such as a personal identification number (PIN), password, or other factor known or possessed only by the authorized user.

DISTRICT GRADING POLICY

Reporting to Parents/Guardians and Students

Procedure:

1. Teachers will be expected to maintain accurate records of student progress and class attendance. These records will be used to determine quarterly grades.
2. Teachers will be expected to use a variety of means to determine and report student progress. Never should the quarterly grade be determined on the basis of just one test or project.
3. Behavior/citizenship will not be considered a factor in the determination of the academic grade. There is a separate code for noting student decorum.
4. The following numerical equivalent for use in the letter grade reporting system will be used by all secondary teachers for the calculation of all marking period and cumulative grades:

97-100	A+	Superior
93-96	A	Excellent
90-92	A-	Outstanding
87-89	B+	Very good
83-86	B	Good
80-82	B-	Above average
77-79	C+	High average
73-76	C	Average
70-72	C-	Low average
65-69	D	Poor
50-64	F	Failure (Eligible for summer school)
00-49	F-	Low Failure (Ineligible for summer school)*

*Note: Classes with a final grade of F- are ineligible for summer school except with granted appeal by the principal

5. The calculation and reporting of each marking period grade will be independent of the grade earned during the preceding marking period(s).
6. Homework will count for no more than 10% of quarter average.
7. The cumulative grade considers each marking period grade as a separate and equal grade, and it will be reported as an average of the equivalent numerical grades.
8. Progress reports will be issued at the approximate midpoint of each marking period to all students with an apparent cumulative or marking period grade average in the failing range. The purpose of the progress report is to provide a warning and to

seek grade improvement. Any teacher issuing a failing grade without first having issued a progress warning – for reasons beyond the teacher's' control, will do so only with the permission of the principal.

9. Student grades will be treated as a confidential communication between the school and the student/home. Grades of individuals will not be publicly posted or announced.
10. Nothing in this procedure will exclude a student's right of appeal.

5124(b)

Report Card Comments

In addition to class grades, the report card includes a score for "effort" and "citizenship" (1-Excellent, 2-Satisfactory, or 3-Unsatisfactory) as well as an area for each teacher to provide up to three comments. These comments are chosen from a list that is approved by the School Committee, which includes both positive feedback and areas of concern. These comments are also used for progress reporting at the midpoint of each quarter.

Progress Reports

Progress reports are an important form of communication between the classroom teacher and the parent. Progress reports do represent an opportunity for the teacher to communicate positive messages to parents. Progress reports also represent an attempt to notify the parent and student of serious academic concerns and, more importantly, to elicit parental involvement so that remediation of the problem(s) can take place prior to the end of the quarter in accordance with the following procedure:

- Progress reports are to be sent to parents when the need becomes obvious or at the middle of the first, second, third and fourth marking periods under the following conditions:
 1. Whenever a student is failing or is in danger of failing on a quarterly and/or cumulative basis.
 2. Whenever a student's quarterly grade has dropped two or more letter grades (second, third, fourth marking periods).
 3. Whenever a teacher determines that a progress report would be helpful.
 4. Whenever a student is in danger of failing, after the progress report and before the end of the quarter, the parent will be notified in writing.

Grade Point Average Calculations

In keeping with guidelines of the National Association of Secondary School Principals, the table below will be used to assign quality points based on final grades in all courses. These quality points will be used to calculate a grade point average. This system utilizes a two level (Honors, College Prep-General) system to encourage and reward students to participate in as vigorous an academic program as is reasonable. The grade point average is used to determine eligibility for the high school honor roll, membership in the several honor societies, and the student's rank in class.

MARK	HONORS	C.P.	GENERAL
A+	5.3	4.3	4.3
A	5.0	4.0	4.0
A-	4.7	3.7	3.7
B+	4.3	3.3	3.3
B	4.0	3.0	3.0
B-	3.7	2.7	2.7

- Honors* courses will be weighted the equivalent of one letter grade if the grade is a C- or better.
- Career Grade Point Average will be calculated using the Final Grade in completed courses and Quarter Grades (prorated) in courses that are in progress.
- Career Grade Point Average will be calculated at the conclusion of each quarter, with a final GPA being calculated upon graduation or withdrawal.

6. Courses completed in Summer School or with Approved Tutoring ARE NOT counted toward the Career GPA.

7. Career Class Rank is determined by the Career GPA each quarter. Only students who are fully matriculated with at least five (5) credits will be ranked.

a) Students in the Alternate Learning Program will not be ranked.

b) Students not pursuing a RIDE approved diploma will not be ranked.

c) Students with a waiver of regular attendance will not be ranked.

8. The Quarter GPA will be calculated using the Quarter Grade and will be used to determine Honor Roll Status

a) Highest Honors: No Quarter Grade lower than an A-

b) High Honors: GPA of 4.0 or above with no Quarter Grade lower than a C-.

POLICY AMENDED: July 20, 2009 RES. NO. 09-7-19
POLICY AMENDED: June 14, 2010 RES. NO. 10-6-16

CRANSTON PUBLIC SCHOOL
CRANSTON, RHODE ISLAND

Middle School

In general, students will be placed at the grade level to which they are best adjusted academically, socially and emotionally. Students will usually progress annually from grade to grade, spending one year in each grade. However, some students will profit by staying another year in the same grade. In such cases, the parent will be contacted in advance, although the final decision will rest with the school administration.

Following sound principles of child guidance, it will be the Cranston Public Schools' policy not to advocate the skipping of grades.

Homework Policy

The purpose of homework is the independent practice of skills and concepts that promote grade level/ span expectations and curriculum that have been modeled and taught in the classroom. Homework serves to develop individual study skills and responsibility while reinforcing skills and concepts. The purpose of homework may include practice, preparation and/or the extension of instructional objectives aligned to the curriculum.

AMOUNT AND FREQUENCY

Secondary Schools – Grades 7-12

The following time chart suggests a **minimum** average assignment time that Cranston Public school secondary students shall spend on homework, daily, Monday-Friday, with the exception of long-term projects, which may cover a number of weeks.

SECONDARY SCHOOLS	Suggested Average TOTAL TIME
Grades 7 and 8	70-80 minutes*
Grades 9 – 12	90 + minutes*

*Occasionally extenuating circumstances at the Secondary level, for example in Honors and Advanced Placement courses, may present the need for students to work additional minutes in order to complete assignments. Teachers need to be cognitive of student workloads and therefore give flexible due dates so that students may plan for the appropriate submission of homework. Concerns about the workload should first be addressed to the classroom teacher by a student and/or parent. If the issue remains unresolved, the department chair or chairs should be consulted. They will make further recommendations.

RESPONSIBILITIES:

Students are responsible for recording homework in an appropriate organizer such as homework folder, etc. student must take home all necessary materials. All homework must be completed and returned to the teacher on the appropriate due date. Homework should be completed according to the directions and expectations of the teacher. If a student is confused by an assignment, the student should come to school with specific questions that demonstrate that he/she has put forth sufficient effort.

Teachers are responsible for communicating and following the homework policy by assigning relevant, valid assignments aligned to the instructional objectives. Directions and expectations are to be stated clearly. Appropriate feedback to students and parents should be given in a reasonable amount of time.

Administrators are responsible for communicating the homework policy to the community and monitoring it in the school.

Parent/Guardians are responsible for providing an appropriate setting or environment to help promote learning through the independent practice of homework. It is the responsibility of the parent/guardian to monitor the student's academic performance and completion of homework assignments. This may include signing any papers that require a signature.

INELIGIBILITY STATUS

Students who do not meet satisfactory behavior guidelines and academic criteria are placed on ineligibility/unsatisfactory conduct lists.

Unsatisfactory Conduct

Any student receiving three "3s" or more unsatisfactory citizenship grades is ineligible for participation in extracurricular activities, interscholastic sports and elected school office.

A student will receive a "3" in citizenship if s/he has: (1) cut class more than once or (2) repeatedly interfered with the learning process of others.

Teachers will document and maintain a record of unsatisfactory citizenship behavior. Teachers will attempt to modify behavior prior to issuing an unsatisfactory citizenship grade. Teachers will notify the parent(s)/guardians in writing of the student's poor behavior. The teacher will also notify the Department Chairperson/Team Designee and/or appropriate administrator of the student's poor behavior.

A student will be restricted from participating in extracurricular activities such as interscholastic and intramural sports, social events, and student leadership positions if s/he incurs three or more "3s" in conduct/citizenship during a portion of a grading period.

Any student who becomes ineligible will remain so until the next quarter grades are reviewed. If, at that time, the student has fewer than three "3s," eligibility will be restored. Eligibility may be restored prior to the issuance of the next report card provided the student asks for a review of his/her status.

Procedure for Review of Citizenship Ineligibility

1. A student/student's parents ask in writing for a review of ineligibility through the appropriate administrative office after the release of progress reports.
2. Notice will be made to the student's teachers. Teachers will indicate if the student's behavior remains unacceptable. If 3 teachers indicate that an ineligible student's behavior is unsatisfactory, that student will retain his/her ineligible status until fewer than 3 teachers indicate unsatisfactory conduct on either progress reports or report cards.

Note: If a student does not ask for a review of his/her status, ineligibility is retained until fewer than 3 teachers indicate unsatisfactory on the report card.

Unsatisfactory conduct will carry over from one year to the next and from grade to grade.

Academic Ineligibility

Any student who is failing 2 or more subjects at the middle school level will be ineligible to participate in any extracurricular activities, both social and athletic. Eligibility may be restored upon review if a student has fewer than 2 failures.

Academic ineligibility for high school students will follow the Rhode Island Interscholastic League guidelines. The ineligible status will remain in effect until grades for the next quarter are reviewed.

Procedure for Review of Academic Ineligibility

1. A student/student's parents ask in writing for a review of ineligibility through the appropriate administrative office when progress reports are issued.
2. Notice will be made to the student's teachers. Teachers will indicate if the student is passing. If **any** 2 teachers indicate that an ineligible student is not passing, that student will retain his/her ineligible status until less than 2 teachers indicate failing grades.

Note: If a student does not ask for a review of his/her status, ineligibility is retained until fewer than 2 teachers indicate failing grades on the report card.

DUE PROCESS

5145(a)

Due process procedures are incorporated into the Disciplinary Procedures for Cranston Students. All students are given a copy of the procedures at the beginning of each school year or when they enroll in the district. Consistent with Rhode Island General Law, “each student and his or her parent (guardian) shall sign a statement verifying that they have been given a copy of the student disciplinary code of their respective school district.”

If a student is over the age of 18, the student must authorize the release of records or educational information. If the student and/or parent(s)/guardian(s) are not in agreement with the disciplinary decision made at the school level, the following steps may be taken:

Level 1 Dismissal of a Student from Class/Assignment of Detention

1. The student and/or parent(s)/guardian(s) shall be informed of the reasons for removal and assignment of detention by the principal and/or assistant principal.
2. The student and/or the parent(s)/guardian(s) shall be given an opportunity to appeal the action to the principal of the school and present his/her point of view regarding the decision.
3. The principal will render a decision and inform the student and/or parents verbally.

Level 2 Suspensions of Ten (10) Days or Fewer

1. The student and/or parent(s)/guardian(s) shall be given oral or written notice of the charges against him/her and the proposed disciplinary consequence.
2. If the student denies the charges, the student shall be given an explanation of the evidence the authorities possess.
3. The student and/or parent(s)/guardian(s) shall be given an opportunity to present

his/her version of the incident to the principal of the school or his/her designee.

4. The notice and hearing generally should precede the student's removal from school since the hearing may almost immediately follow the incident, but if prior notice and hearings are not feasible, as where the student's presence endangers persons or property or threatens destruction of the academic process, thus justifying immediate removal from school, the necessary notice or hearing shall follow as soon as practicable.

5. The student and/or parent(s)/guardian(s) shall have the right to appeal the decision of the school principal within ten (10) days of receipt of notice of the decision of the principal. This notice of appeal must be sent in writing by the student and/or parent(s)/guardian(s) to the office of the Superintendent; the principal rendering the decision must be notified of the appeal. If an interpreter is required by the student and/or parent(s)/guardian(s), that must also be included in the written appeal.

6. The student will once again be given the opportunity to present his/her version of the incident, and the principal or his/her designee shall present the administration's version of the incident. Both parties can present any evidence they may have at the hearing before the Superintendent or his/her designee.

7. The Superintendent or his/her designee will render a decision within a reasonable time after the hearing, and the decision will be forwarded to the student and/or parent(s)/guardian(s) in writing in their dominant language.

8. In the event a student has not attained the age of majority (eighteen years), notice containing the reason for the suspension and the duration thereof, the decision of the principal and the decision of the Superintendent shall be given to the parent(s) or guardian(s). Such notice shall be given in the parents' spoken language, unless it is clearly not feasible to do so.

Level 3 For Suspensions of Ten (10) Days or More / Expulsions

1. After being given the due process set forth above for suspensions of ten days or less, prior to suspension for more than ten days or expulsion, except for such time as not feasible, as where the student's presence endangers persons or property or threatens disruption of the academic process, thus justifying immediate removal from school, the necessary notice or hearing shall follow as soon as practicable, and the student and/or parent(s)/guardian(s) shall be afforded:

(a) A clear, written statement of the reason for suspension or expulsion;

(b) Notice of the right to a prompt public or private hearing, at the student's and/or parent(s)/guardian(s) election, before the school committee, and the right of the student to be represented by counsel at such hearing; and

(c) If a hearing is requested, the student and/or parent(s)/guardian(s) shall be given a prompt notice setting the time and place of such hearing, said time and place to be reasonably set so as to allow sufficient time for preparation without undue delay.

2. In the event a student has not attained the age of majority (eighteen years), the parent(s) or guardian(s) shall be afforded the procedures stated in Section 1 (a), 1 (b) and 1 (c) above. Such notice shall be written in the parent(s) or guardian(s) spoken language, unless it is clearly not feasible to do so.

3. The student shall be afforded the hearing in which the student shall have the right to:

(a) Representation and participation by counsel;

(b) The right to cross-examine witnesses and to present witnesses in his/her behalf.

School faculty, administration and staff, at all times, will model courteous behavior to each other, to students, and to school visitors. Abusive or

humiliating language or demeanor will not be accepted. Additionally, students and their families are expected to exhibit courteous behavior to all members of the learning community in school and at school sponsored events.

bullying, the parents/guardians of the child will be notified immediately by the principal, director or head of school.

3. Any combination or parts either designed or intended for use in converting any device into any destructive device described in the two immediately preceding examples, and from which a destructive device may be readily assembled.

C. For purposes of the R.I. General Law this penalty will also be incurred when a student is not on school premises, but when s/he aims a firearm or realistic replica of a firearm at school premises/school functions, school vehicles, or students, staff or visitors attending school or in transit to or from school.

D. Students with disabilities will be disciplined in a manner which comports with federal (IDEA) and state laws and regulations governing same.

E. If a student is found in possession and/or control of dangerous weapons (guns, knives, clubs, pepper gas, chemical propellants, smoke bombs, or any object which could be construed by an administrator to present imminent danger to a person), the school will take custody of the weapon(s) and notify the police. The school will notify the parents, and suspend the student(s) until a decision is rendered in a Due Process Hearing concerning exclusion.

F. If a student is found in possession and/or control of any ammunition or components of ammunition for firearms, the student will be suspended from school for 10 days. Exclusion proceedings may be initiated. Parents/guardians will be notified. Police will be notified.

G. If a student is found in possession and/or control of written documentation pertaining to the construction and/or utilization of an explosive or incendiary device, the student will be suspended from school for 7 to 10 days.
