Dear Parents/Guardians:

It is with great pleasure that I formally welcome you to Park View Middle School for another enjoyable and productive school year. Our staff has done a wonderful job preparing the building for your child's arrival on **Tuesday, September 5, 2017**. At our school, your child will receive the very best educational experience.

The beginning of a new academic year is always an exciting time. As we reflect on our past achievements and lessons learned, a new school year gives all the opportunity of a fresh start. We believe that academic success begins with high expectations for pupil performance and behavior.

Incoming 6<sup>th</sup> graders and students new to Park View are invited to our Annual Welcome Pizza Party on **Wednesday August 30, 2017 from 4pm-5pm**. Parents at Park View are strongly urged to get involved in the education of their children. Our Parent Open House is scheduled for **Wednesday September 27, 2017 at 6:30**. We have many school programs, events, and fundraisers that our PTPV (Parents & Teachers of Park View) will need additional support planning and organizing. A representative will be present during this event, if you would like to join our PTPV. The cost per family is \$10.00. In order to instill a genuine love of school and learning in children, it is essential that a positive home/school partnership be created and nurtured.

The doors to the school open at 7:30 am daily. On the first day, September 5th, **sixth graders will report to the school auditorium. All returning 7th and 8th graders will report directly to their homerooms.** An alphabetical list of all returning students with their homerooms will be posted in the foyer and gym.

Students' homerooms will be posted on Aspen in late August. If you do not have access to Aspen, an alphabetical list of homerooms will be posted at the "Welcome Back" party. If you have any questions or concerns, please feel free to call our main office or visit our website at <http://cpsed.net/pview/>.

On behalf of the entire faculty and staff at Park View Middle School, we extend our best wishes for a happy, fulfilling, and educational school year.

Sincerely yours,

Michael F. Crudale  
Principal
